

Our very successful exhibition in the autumn of last year which was held in the former Court Room of Milngavie Town Hall The exhibition had over five hundred visitors of which fifty people registered their interest in the continuing work of the Centre.

East Dunbartonshire Council have now granted us the use of the Court Room for limited permanent displays and future scheduled exhibitions.

To run and man exhibitions takes much time, effort and organisation. We need a lot of volunteers, i.e. "Friends", young and old, who share a common interest in our town which has grown from "the Mill of David" in the 15<sup>th</sup> century to today's Milngavie with a population of around 13,000.
